

Syndicate Speaks— The official blog of Marketing Syndicate.

The Syndicate likes giving invitations you can't resist!

Pardon our sticky, but we'd like to invite you to our part of the blogosphere. It's different. It's Syndicate Speaks. It's where we wax philosophical and metaphorical. We also get down to Earth and talk common sense. We may even talk some trash (sort of). And marketing. And branding. And, well, it

changes from post to post (and the mood we're in).
